ABOUT

EDBOARD INTERNATIONAL is an overseas education consultant with expertise in the courses offered by the various universities and countries and guides students through the admission process, funding applications, visa application procedures, and other formalities. As an overseas education guidance agency, it is our job to make the application process extremely easy for ambitious Indian students like you. We, at Edboard International, are extremely concerned with the welfare of the students we work with and our service does not stop with identifying a university for the desired course, funding and visa. Apart from providing help with the application process, our counselors also provide pre-departure briefing sessions.

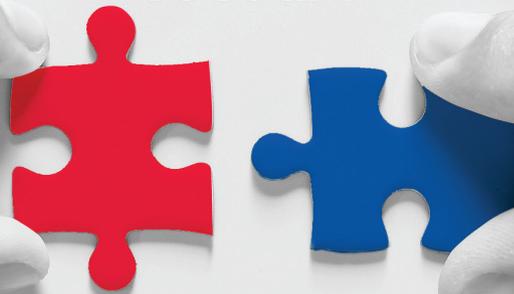

VISION

Applying to a foreign university can be a laborious process, with different countries requiring different formats of application. Edboard International's team of global study experts and student mentors guide you at every step of the way – from choosing the right university to helping you with your application and financing counseling, finding student accommodations to lining up job interviews.

MISSION

For most aspirants, applying to an international university seems like an intimidating task; having to send your university applications according to specific requirements, test preparations, sorting out financial statements, applying for scholarships or student loans, visa application & interview, etc. Edboard International is perfectly poised to simplify the application process for prospective students. Starting from identifying the right destination for the course of your choice, test, visa and offering guidance on living in foreign country, Edboard International makes sure to guide you through every step of the application process in the most transparent way.
